AV material will not be discharged from the member's account until all inventoried items in the set are returned or billed as lost/damaged. Overdue fines will accrue until this time.

If an MCDL item is returned within 30 days after payment was made, a refund less \$3.00 processing fee will be given. Submit a Member Reimbursement Form (Circ 211) and the original or a dated copy of the member's receipt to the Finance Office. The refund check will be mailed by the Finance Office.

Clevnet fees may vary and may include processing fees charged by the owning library in the event of loss or damage. MCDL cannot refund payment for a lost item from any other Clevnet library. Staff will contact the owning library regarding refund policy and, at member's determination, either send the item with a refund request to the owning library or return the item to member (i.e. if no refund allowed).
